**CONSUMER CHOICE AWARD WINNER- COMMISSIONAIRES MANITOBA
SECURITY GUARD TRAINING ACADEMY**

WINNIPEG, MANITOBA- Commissionaires Manitoba is the winner of a Consumer Choice Award in the category of Security Training. Over 1000 people surveyed in Winnipeg and surrounding area have recognized Commissionaires Manitoba Security Guard Training Academy as a leader in business excellence.

“I heard about the security guard training course through my friend who suggested I take it. It has been very interesting, informative and educating. The instructors provide clear information with lots of real world examples,” says Kassim Shakuru, student at Commissionaires Security Guard Training Academy.

All students that step into the academy learn from industry experts and are trained to meet today’s competitive and fast paced security environment. Commissionaire trainers provide students with training that not only meets provincial standards but exceeds them.

“We are very proud to have been awarded this distinction and for us it serves as a reminder that high standards of quality and services always remain an ongoing focus and goal,” says Pat Sylvester, training and development manager.
