ONLINE FIRST AID COURSES

Commissionaires Nova Scotia is a certified Canadian Red Cross Training Partner and provides two levels of First Aid Training: **Emergency First Aid** and **Standard First Aid**.

To provide a solution for social distancing because of COVID-19, we now offer online options that earn a temporary 90-day certificate. This blended alternative teaches the first component online at the participant's pace. Upon completion, participants will receive their temporary certification. Within 90 days, participants will be required to complete the in-person component, after which they will be issued a 3-year certification. We will offer the classroom component for all our first aid courses when it is safe to do so.

Emergency First Aid

DESCRIPTION: Emergency First Aid is a one-day course providing an overview of basic emergency first aid, cardiopulmonary resuscitation (CPR), and Automated External Defibrillator (AED) skills for the workplace or home.
