

## Proclamation by the CEO

NAOSH Week 2015

Make safety a habit for your career!

May 3-9 has been designated as this year's North American Occupational Safety and Health (NAOSH) Week. The NAOSH Week logo—three hands forming an equilateral triangle—symbolizes joint venture, cooperation and commitment to the goals shared by all occupational health and safety partners.

Now in its seventeenth year, government, employers and workers across the continent of North America will take time out from their normal activities to promote the importance of preventing injury and illness in the workplace and at home. The goal of NAOSH week is to focus the attention of all participants on the importance of equipping themselves with the necessary tools, information and knowledge, and educating each other with positive attitudes and behaviours, which together will convey commitment and confidence at work, at home and in the community.

*Commissionaires Ottawa* is pleased to endorse the North American Occupational Safety and Health week, 3 to 9 May 2015.
